How We Calculate Pricing 2025

The most common local move in the Calgary area costs between **\$600 to \$1,800**.

The biggest factors constituting price are the **size** of your house, how many **belongings** you have, and the **distance** between locations.

The following are time and cost estimations:

Size	Time	Price
1 Bedroom Apartment	3 to 5 hours	\$450 to \$750
2 Bedroom Apartment	5 to 7 hours	\$750 to \$1,050
3 Bedroom House	7 to 10 hours	\$1,050 to \$1,500
4+ Bedroom House	10+ hours	\$1,500+

Other determining factors might include specialty items that need extra care/time, intensive logistics, or moves over long distances. These will be quoted separately and may influence pricing significantly.

Our rate starts at **\$150/hr** and includes a moving crew of 2 with 1 moving van.

Our minimum charge is **3 hours** (2 hours labour, 1 hour travel time).

Rates increase with additional movers and moving vans.
